Contract Provisions

DEFINITIONS

(1) "The Council" means the Information Technology & Logistics Council of the American Trucking Associations, Inc. and its authorized agents and representatives acting within the scope of their authority. "Exhibitor," as used in these rules, means any person or company exhibiting in the 2009 Annual Conference & Exhibition. (2) Decision of The Council in interpreting these rules shall be final.

SPACE ASSIGNMENTS

(3) Although the Exhibitor is required to indicate four (4) booth preferences, The Council will assign booth requests on a first come, first served basis according to the envelope postmark or ITLC "Date Received" stamp, and number of booths requested.

(4) The Council reserves the right to reassign booth space at its own discretion as it deems necessary after the contract has been signed. Space is leased with the understanding that Exhibitor will hold The Council harmless from any and/or all liability which may result from any cause whatsoever.

PAYMENTS AND CANCELLATIONS

(5) In applying for space, Exhibitor will pay the space cost in accordance with validation regulations appearing on reverse side of this contract. In the event of cancellation by Exhibitor at any time The Council shall have the right to rent the space to another company. No refunds will be given for cancellations received after close of business on Wednesday February 25, 2009. The Exhibitor understands that a cancellation is not valid until received in writing at ITLC offices in Arlington, VA.

INSTALLATION AND DISMANTLING

(6) Exhibitors shall be governed by the following periods for installation and dismantling of exhibits:

Installation: Monday, March 23, 2009 — 7 am to 9 am

Dismantling: Wednesday, March 25, 2009 — 7 am to 9 am

Note: All booth materials must be removed no later than Noon on Wednesday, March 25, 2009. A removal and storage fee will be charged to any ITLC exhibitor company having exhibit materials in the exhibition area after Noon on Wednesday, March 25, 2009.

BOOTHS AND EQUIPMENT

(7) Booth space includes backwall and booth dividers as specified in the Rules and Regulations, and one 7' x 44" backwall sign (with two lines of copy, consisting of firm name and city and state). All other furnishings, equipment, facilities, etc., will be provided by Exhibitor at his own expense and responsibility.

USE OF BOOTHS

(8) All demonstrations and exhibits must be confined to the exhibit booths. No Exhibitor shall assign, sublet, or share the whole or any part of the booth space allotted.

EXCLUSION

(9) ITLC shall have the right to exclude, remove at Exhibitor expense, or to require modification of any display or demonstration which, in its sole discretion, it considers unsuitable or not in keeping with the character of the Exhibition. ITLC shall have the right to demand modification of the appearance of dress of persons or mannequins used in connection with displays or demonstrations. If Exhibitor refuses ITLC's demand, ITLC reserves the right to exclude or remove, at Exhibitor's expense, the entire display or demonstration.

HANDLING AND STORAGE—Very Important!

(10) The Innisbrook Resort & Gold Club does not have the facilities to accept/store exhibit materials prior to the published move-in period as outlined in paragraph (6). Exhibitor will comply with the Council's handling and storage arrangements thru the official decorator/drayage service regarding delivery and receipt of shipments/crates before move-in time.

LIABILITIES

(11) Exhibitor agrees that The Council, official decorating company and the The Innisbrook Resort & Gold Club or their employees: (a) will not be responsible for any damage to or for the loss or destruction of the Exhibitor's property, or injuries to the Exhibitor, his representatives, or employees—all claim for any such loss, damage, destruction, or injury being expressly waived by the Exhibitor; (b) Will be exempt from or indemnified for any claims for injury to any of the Exhibitor's representatives, agents, or employees.

(12) The Council, its agents and employees, will not be liable for failure to hold the Exhibition as scheduled. Payments for booth space will be returned in that event except that any actual expenses incurred in connection with the Exhibition will be deducted if the Exhibition is cancelled on or after March 2, 2009, because of fire, or any act of God, or the public enemy, or strike, or epidemic, or any law or regulation of public authority, which makes it impossible or impractical to hold the Exhibition.

ADMISSIONS

(13) The Council will have sole control over all admissions of all persons to exhibit including Exhibitor personnel and/or registrants, according to the Rules and Regulations of the exhibition as issued or amended (with or without advance notice) by authorized representatives of The Council. ITLC makes every effort to attract the maximum amount of attendees to its exhibit, but does not guarantee specific volumes or levels of attendance.

RESTRICTION OF ROOM ASSIGNMENTS, AND USE OF HOSPITALITY SUITES

(14) Exhibitor agrees that The Council has sole control over the assignment and use of such rooms or suites at the convention center, host and overflow hotels during the period of The Council's Annual Conference & Exhibition. No Exhibitor shall assign, sublet, or share the whole or any part of any accommodation without receipt of written consent in advance by The Council. Violation of any regulation of The Council shall be construed as justifiable cause for the immediate removal of Exhibitor's display without further compensation to Exhibitor and/or their distributors, dealers or personnel.

RULES AND REGULATIONS

(15) Exhibitors will abide by all other provisions of the said Rules and Regulations. Exhibitor further agrees to adhere to all fire, utility, and building codes and regulations and all other regulations of governmental agencies and the hotel. All drapes and decorative material will be flameproof.

LIVE OR RECORDED MUSIC

(16) Exhibitors wishing to have either live or recorded music must submit to ATIA/ITLC either evidence of ownership of such music or copyright license agreements permitting the use of such music. In the absence of such agreements, the performance of live or recorded music is prohibited. EXHIBITOR AGREES TO INDEMNIFY ATIA/ITLC FOR ANY LIABILITY ARISING FROM THE UNLICENSED PERFORMANCE OF SUCH MUSIC.

Display Height and Width Regulations

(17) ATIA/ITLC subscribes to IAEM (International Association of Exhibition Management) Guidelines with regard to width and/or height of backwall structures; also the use or placement of display signs or independent units that are part of but not necessarily attached to a backwall unit. Display Heights: Island - 14' from ground, top of hanging sign at 16'. Linear - No display may extend above 8'H, perimeter booths may extend to 10' H.
