## Chairman's Membership Committee Social Sunday, October 4

*By Invitation Only*

ATA Chairman Charles "Shorty" Whittington, the Chairman's Membership Committee, and the Allied Committee for the Trucking Industry (ACT I) cordially invite you to join them at the Mandalay Bay for the annual Chairman's Membership Social. One of the most important benefits of attending the conference is the contacts you will make with industry leaders, ATA staff, and your peers around the country with whom you do business year-round. The invitation-only Membership Social is a great way for ATA's newest members to get acquainted in a fun, informal atmosphere and pick up convention tips from the veterans. It is the perfect start to a great conference week – so look for your invitation and plan to arrive early for this not-to-be-missed kickoff event.

*Sponsored by the Allied Committee for the Trucking Industry (ACT I)*

## ATA Annual Golf Tournament Arroyo Golf Club ([www.thearroyogolfclub.com](http://www.thearroyogolfclub.com)) Sunday, October 4

*Separate Registration Required – See Enclosed Registration Form*

No ATA conference would be complete without the annual march to the first tee. With its desert climate, Las Vegas is a year-round golfing Mecca, and one of the city's finest courses, the Arroyo Golf Club, has been selected to host the 2009 ATA Golf Tournament. If you've ever swung a club, this is a golfing experience you won't want to miss.

An emerald oasis in the rugged desert abutting Red Rock Canyon, the Arroyo is an Arnold Palmer-designed masterpiece. The immaculately groomed, par 72 course is a green and blue ribbon in the desert. It wends 6,883

yards through rock and sand, shadowed by sun-beaten mountains with the Las Vegas skyline gleaming in the distance. And with five sets of tee boxes to accommodate players at all skill levels, the Arroyo is as competitively challenging as it is visually spectacular.

Whether you are looking for an afternoon of casual recreation on the links – or want to test your skills competitively against ATA's best – the Arroyo is a course to which you will want to return again and again. Separate registration is required to participate in the Annual Golf Tournament. Be sure to return the enclosed registration form – and pack your clubs to experience a course you will never forget.

Proceeds from the tournament will benefit the ATA Insurance Task Force.

*Sponsored by the Allied Committee for the Trucking Industry (ACT I)*
