Dear Mr. Jenkins:

I send my heartiest congratulations to you for being named to the nation's most elite team of drivers and selected as a 2006-2008 America's Road Team captain.

As a 35-year veteran truck driver, with an excellent safety record, you are indeed the ideal spokesperson for both the trucking industry and the critical issue of public safety. Being selected, from a field of several thousand drivers, is certainly a tribute to you and your very successful career.

Again, my congratulations and best wishes to you and your family.

Sincerely,

A handwritten signature in cursive script that reads "Betty Ireland".
