Dear Clarence,

Although I'm sure that everyone you know is celebrating your good news, I wanted to send my congratulations in recognition of your being nominated as a Road Team Captain for America's Road Team, an elite group of professional truck drivers. This award represents one of the many you have received in your 30-year career as a skilled truck driver.

You have on many occasions demonstrated your impressive ability as a proficient truck driver and have been recognized for your impeccable safe driving record. I know what an honor this must be, and it is quite evident that you are highly-respected by your co-workers as well as the administration at UPS Freight.

I want you to know that all of West Virginia shares in my pride of your wonderful accomplishments. I know what joy this must bring to your family and friends, and the incredible discipline it must take to achieve your goals. To know that you are among the nation's most-skilled drivers is to be commended!

Congratulations again, Clarence, and my very best wishes for you and your family in the future.

Sincerely,

John D. Rockefeller IV
