Louisville, KY 40216

Dear Richard,

Our Transportation Day at St. Matthews Baptist Preschool was a tremendous success! So special are the memories that you helped make for more than 125 preschoolers, their parents and siblings!

Not only was the morning fun and entertaining, but parents and teachers repeatedly commented on how informational it was learning about various vehicles we see working in our community every day. Kids and adults alike enjoyed your "Good Stuff, Trucks Bring It" message, and it was such a pleasure for all of us to meet you.

Please find with this letter a complimentary photo we hope you enjoy, a personal thank you from some of our children, and an information sheet that was distributed to all our school families letting them know of your participation in Transportation Day 2007.

We thank you for joining us on a chilly spring morning. We so appreciated your time, trouble, expense and enthusiasm as you shared with the children—a hands-on experience we'll always remember! We can't wait until next year!!

Sincerely,

A handwritten signature in black ink that reads "Susan Wilder".
