Dear Joe:

I thought you would enjoy receiving a copy of this article in the Dillsburg Banner.

Joe, you are well-deserving to be team captain for America's Road Team of 2005-2006. This is quite an accomplishment of which you can be very proud. Your impeccable driving record with Fed-X Ground is a testament to your commitment and dedication to your career.

To be a captain in the "Share the Road Program" is an awesome responsibility of which you are extremely capable. As I travel the Pennsylvania Turnpike to and from Harrisburg, I see a considerable amount of accidents that could possibly be prevented. The amount of truck traffic and automobile traffic has greatly increased over the years creating new challenges for drivers. Your knowledge and expertise of the road will be a wonderful asset and save thousands of lives in the future.

Congratulations Joe on a job well done! Don't hesitate to call me if I can be of any assistance to you or your family. Say hi to everyone from me and have a wonderful day!

Warm Regards,

JANE CLARE ORIE
