Dear Mr. May:

Thank you for helping to make our Nation's roads and highways safer through your recent assistance to the Federal Motor Carrier Safety Administration's Commercial Driver's License (CDL) Advisory Committee. Your participation on a driver panel that provided the driver's perspective to the advisory committee was well received and greatly appreciated.

Later this year, the CDL Advisory Committee will be making recommendations to ensure the continued strength of the CDL program. Your role in helping to shape those recommendations has been a valuable service to the Nation.

Sincerely yours,

John H. Hill
