Salt Lake City, UT, 84120

Dear Mr. & Mrs. Cash,

Congratulations! You are being recognized once again as Highway Angels for the act of kindness you showed on May 9, 2006 in Del Rio. Larry Luke nominated you. Below is a summary of the incident:

Bob was on his latest motorcycle trip...and his Harley entered a rut from the truck traffic. He began to wobble uncontrollably and could not recover and eventually got thrown into a guard rail. When he regained consciousness a few minutes later, Ted Cash was checking his pulse and asking his name. Ted and Nora witnessed the accident and immediately called 911. Nora utilized her state of the art satellite tracking system to pin point the precise location and to request an ambulance. They checked vital signs, covered him with a blanket to prevent shock, provided water and took pictures on Bob's camera for insurance purposes. After the ambulance arrived, they drove to the hospital to make sure he was settled, because they knew he was alone. In addition, they called the next day to make sure he was okay!"

On behalf of the trucking industry, we would like to extend a sincere "thank you" for going the extra mile. We honor you for making a positive difference in the lives of the people with whom you share the road. The highway is our community, and the kindness you showed your fellow travelers is much appreciated.

The Highway Angel program is an on-going effort to help recognize driver professionalism and to elevate the public's awareness of and appreciation for outstanding drivers like you in the trucking industry.

Enclosed you will find a Highway Angel lapel pin, certificate, and patch in appreciation of your performing a good deed while on the job. We have also included another Highway Angel nomination form in case you come across another truck driver who deserves this award.

Again, please accept our thanks and congratulations.

Sincerely,

Nancy O'Liddy
Director of Public Affairs

CERTIFICATE OF APPRECIATION

Ted and Nora Cash

You're A Highway Angel™
