RE: Clarence Jenkins

Dear Joy:

As you know, Road Team Captain Clarence Jenkins was guest speaker at our safety banquet February 9, 2008.

In my 17 years of trucking safety, I have never gotten so much positive feedback from drivers about a speaker as I did Mr. Jenkins. They were truly impressed with his presentation, and I feel probably because he was "one of them".

Mr. Jenkins presented himself in a very professional manner. His demeanor was excellent and he interacted with the drivers at will. He is truly an asset to the Road Team, his company, and the trucking industry as a whole.

We certainly appreciate the ATA and Volvo for making this program possible, and for having such deserving drivers as Clarence Jenkins to serve on the Road Team.

Thank you again for making our evening a success.

Sincerely,

Alan Caviness, CDS
